On Friday 11 AM, our steel Company, as of 10-01-21 had an across the board price increase of 15%. ON 9-01-21 our steel Company increased their Markup on Polymer and Aluminized steel culvert from 50% to 75%. I am providing you your details of your New prices below. As of 10-1-21, plastic culverts are still the same. However, it is taking longer to get steel and plastic culverts. Any price increase is per our supplier, nothing additional from Holmes Concrete & Pipe.

Thank you  
David Holmes
