PFA Value Provided to the Upshur County, TX Clerk's Office

- Automatic notification system: Registered constituents receive an email or personal phone call (from Fidlar) each time a document is recorded in their name. The county does not have to worry about cards to mail or address lists to maintain.
- Flexible sign-up processes: Constituents can sign up via the PFA website or for those not comfortable doing so online or for those who do not have access to a computer; sign-up is available by calling the dedicated PFA toll-free number staffed by Fidlar.
- Notifications are sent out upon the recording of any document. Deeds are not the only damaging document that can be fraudulently filed or recorded. Powers of Attorney, satisfactions, etc., can also lead to fraudulent activity. PFA notifies the subscriber any time any document is recorded in the name registered with Fidlar.
- PFA is an opt-in notification system. Once subscribed, the constituent does not have to check in on a website for notification status. Email notifications are sent within 24 hours of the document being made available to Fidlar or the next business day, should the 24-hour period fall upon a weekend or holiday. Phone notifications are attempted within 48 regular business hours of the document being made available to Fidlar. When calling a subscriber with an alert notification, Fidlar will attempt the call twice (in consecutive days) and leave voicemails. If a return call is not received, Fidlar will make a third attempt one week after the first call was made. If no return call is made after the third attempt, the call will be closed.
- A customized PFA website has been created for the Clerk's office. The Clerk's office will have the right to select up to five (5) graphics to be used on the customized homepage.
- PFA requires no changes to existing recording workflow.
- No training required for county employees.
- PFA provides for customization of the email notification verbiage.
- The custom PFA website for the Clerk's will be managed by Fidlar.
- PFA provides an online administration tool for use within the Clerk's office for the purpose of monitoring subscription levels. Also available via the administration tool is the ability to access the current list of subscribers contact information as well as a list of notification alerts that have been sent.

- The call-center that provides live follow-up to PFA subscribers is fully maintained and staffed by Fidlar. This call-center is staffed from 7:00am - 8:00pm CST and is housed at our corporate office in Davenport, IA. This call center will handle the following calls
 - Incoming calls from constituents who wish to sign-up but are either hesitant to do so over the Internet or don't have a computer. Typically, this represents a more elderly demographic.
 - Incoming calls from subscribers who have received alerts and have questions. Historically, our attendants are able to answer incoming questions to the subscriber's satisfaction. However, in the event that a question remains that goes beyond our capabilities, it will be forwarded to the county office.
 - Outgoing calls providing alerts. Subscribers have the ability to receive alerts via email or phone. Those that opt to receive alerts via phone receive a call from one of our call center attendants. We will make three outgoing calls (and leave a personal message, if needed) to insure that we have ample opportunity to connect with the subscriber.
